

# IBD BENCHMARKING 2023 RESULTS OVERVIEW - ADULT SERVICE

GLOUCESTER ROYAL AND CHELTENHAM GENERAL  
HOSPITALS

[www.ibduk.org](http://www.ibduk.org)

This report shows results from the IBD UK benchmarking in 2023, which includes the IBD Patient Survey and Service Survey. Service Survey data appears only for those IBD services that took part, and Patient Survey data appears only where more than five patients from this IBD service completed the IBD Patient Survey. This report has been produced by IBD UK, a partnership of patient and professional organisations working together for everyone affected by IBD. This report was published in March 2024.

Key

## The Service in Numbers

Covers a population of

**650000**

Supports

**3000**

adult IBD patients

Of which

**200**

were diagnosed in the  
past 12 months

## The IBD Team

The IBD standards define the ideal make-up of the IBD team in terms of full-time roles. Shown below are the reported numbers for this team, and ideal numbers based on the reported population size.

## Quality of Care

Overall, how would you rate the quality of your Crohn's or Colitis care over the last 12 months? [128 responses for this service]

Rated as "Excellent"  
or "Very good" by 46%  
of patients

Rated as "Fair"  
or "Poor" by 27%  
of patients

Rated as "Good" by 27% of patients

These results have been made publicly available to support clinicians, patients and commissioners to improve quality of care for IBD patients. Thank you to everyone who responded to the IBD Patient Survey 2023.
